

BEETLE CAT

This famous New England sailing class has been in existence for over 90 years. Hull 1763 was built by master builder Leo Talismanek of Concordia Yachts who also built Beetle Cats for the Kennedys, Stephen Speiberg and Calvin Klein. The boat is in very good condition. A new one similarly outfitted with trailer sells for more than \$20,000.00. Two sails, covers and trailer all included.

WHITEHALL SAILING AND ROWING SLOOP

This beautifully finished 17 foot classic is the epitome of elegance on the water. Three rowing stations with three sets of custom oars and bronze oarlocks lie forward of aft steering station with its comfortable backrest. Under sail she is a remarkably stable gaff rigged sloop. She comes with the original jib and main plus a brand new Dacron mainsail. All running rigging, a trailer and new paint and varnish make her ready for the water.

THISTLE

The Thistle is a beautiful 1958 cold molded day sailer/racing sloop built by Douglas and McCloud. She is in excellent condition as indicated by her finishes. All running gear, sails, a new compass and trailer are included and she is ready for the water.

ROBALO 18

This is an older cathedral hull center console boat built by SlickCraft that happens to be in extremely good condition. Remarkably stable she has the looks and feel of a larger boat. Her teak console and trim really set her apart from newer boats. Her power is a 120hp Evinrude with new starting motor and whales tale stabilizer. All original canvas, a new top canvas and trailer included.
